As further provided by the SMPS Bylaws, in the absence of a nomination for any of the open positions on the Board by petition process, the candidates selected by the Nominations and Elections Committee are automatically selected by acclamation for the offices and terms specified above.

Looking ahead to 2019-20, President-Elect, Donata Gilliland said, *"Serving as the incoming SMPS Sacramento Chapter President is a great honor. I have gained so much professionally from my 12 years of membership in this premier marketing organization—it feels wonderful to be able to give back and volunteer in this capacity. SMPS believes in Business Transformed Through Marketing Leadership. To support that vision, our dedicated volunteers are hard at work providing opportunities for our membership to learn, grow, connect and take that knowledge and experience back to their firms. With more than 120 SMPS members in Sacramento, I am excited about the opportunity to engage each member through luncheon programs, educational workshops, and leadership and professional development events. Thank you for this opportunity and I look forward to another fantastic year with SMPS Sacramento!"*

Please join us in congratulating the 2019-2020 Board!
